NISSAN NAVARA DOUBLE CAB SPECIFICATIONS

Diesel	
Towball download	Reduce Loaded Vehicle Mass
0kg	GVM** (All Variants)
100kg	below GVM** by 130kg
200kg	below GVM** by 280kg
300kg	below GVM** by 410kg

If the laden vehicle's mass is reduced as shown in the tables, the towball download can be increased correspondingly. Accordingly, if the laden mass of diesel variants is 410kg less than the GVM**, a towball download of 300kg is approved. Different trailer types and different trailer manufacturers have varying towball downloads. The customer will need to contact the trailer manufacturer for information as to the download. Nissan is not able to make any recommendation on the use or suitability of load-levelling or weight distribution devices to be fitted to the vehicle. Customers should contact the manufacturers of these devices for further information.

** GVM = Gross Vehicle Mass. GVM is the maximum laden mass of a motor vehicle.

~ Kerb mass = unladen mass of vehicle with full fuel, excludes tray body for Cab Chassis vehicles.

^ Payload is the GVM minus the Kerb mass. The kerb mass does not include passengers, luggage, cargo, any accessories fitted or any towball download (as appropriate). Payload is distributed across both the front and rear axles, never exceed the GVM or the axle limits.

^o Figures tested in accordance with ADR81/02 (combined test). Figures stated for the purposes of comparison amongst vehicles only. Actual fuel consumption and CO₂ emissions depends on factors such as traffic conditions, vehicle condition, how you drive and any accessories fitted.

† Towing capacity is subject to towbar/towball capacity and vehicle laden condition. The capacity may be reduced if a non genuine Nissan towbar is fitted. The permitted download is directly related to the laden mass of vehicle.

Interior Cloth seat trim.

Interior Leather accented seat trim[‡]
(Optional on ST-X).

Gross Combined Mass with braked trailer.

^ iPod is a registered trade mark of Apple Inc.

‡ Leather accented features and upholstery may contain synthetic material.

** New Vehicle Warranty expires 36 months from date of first registration or after 100,000km (whichever comes first). Conditions apply. See nissan.co.nz for more details.

†† Terms and conditions apply, please visit nissan.co.nz/roadsideassistance.
