

Nissan Financial Services New Zealand Pty Limited (NFS)

Costs of Borrowing Information

The below figures apply to NFS's consumer loan contract: Effective 06/09/2018*

*These figures may change from time to time. The consumer loan contract is only available if the credit is to be used to acquire goods for personal, domestic or household purposes; and not for business use. Please contact NFS or your local Nissan dealer for information on our business finance options.

All loan applications are subject to NFS's credit criteria – the below figures apply to approved applicants only.

Interest Rates

Details	Rates that apply	Amount
Annual Interest Rate	The following are the factors NFS may consider when it determines the actual annual interest rate that will apply to each loan: <ul style="list-style-type: none">Borrower's credit history;Borrower's asset position;Borrower's risk assessment rating determined by NFS;The age and type of vehicleThe term and amount of the loan.The complexity of the loan application	6.85 % PA to 14.85% PA
